

Open iT Advisory Summit for the Oil and Gas Industry | 2019

OCT. 23, 2019 | HOUSTON, TEXAS

As a leader in the Oil & Gas sector and valued customer, Open iT cordially invites you to attend the Open iT Oil & Gas Advisory Summit on October 23, 2019 in Houston, Texas.

This limited audience will provide the opportunity to interact with your industry peers to share best practices, challenges and needs in managing your E&P Applications. Participants will also see a Roadmap presentation with interactive discussions providing feedback to Open iT about features and functionalities you would like in the Open iT Suite.
